📁 Employment History

ICQA Supervisor at Target Co. GSCL, Rialto, Ca

February 2021 — Present

Responsible for daily report management, staffing, and timekeeping for the ICQA department. Driving quality by evaluating associate behaviors, hotspot walks, and auditing problem areas around the warehouse. Communicating with and to individuals on an as need basis and partnering with operations managers to introduce quality defining behaviors to aid in the continuous improvement of safety and quality across all departments.

Key Accomplishments:

- Discovered associate behaviors that were leading to many defects, resulting in an overall 10% decrease in the weekly defect rate.
- Introduced and piloted a quality class for all newly onboarded associates to build a better foundation for expectations of quality and safety across every department.

🎓 Education

Full-stack Development Bootcamp Certificate, University of Minnesota, Online

April 2023 — October 2023

A 24-week intensive program focused on gaining technical programming skills.

High School Diploma, Milor High School, Rialto, Ca

May 2014
